

## About Ennerdale Brewery

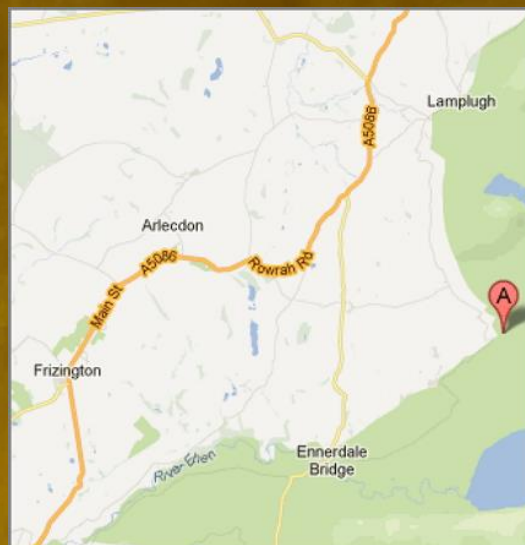

*Putting the Ale in Ennerdale*

Tucked away in one of the most beautiful and inaccessible valleys of the Lake District, Ennerdale Brewery produces a range of fine cask and bottled ales.

These are brewed using traditional methods and include only four natural ingredients:

Spring water from Kelton Fell behind the brewery; English malts (freshly kiln-dried and milled for us - no cheaper alternatives!); whole hops; and yeast which we re-harvest from each fermentation for future brewing in order to maintain the distinctive and established Ennerdale flavour.

For stockists of cask and bottled ale please visit our website. If you have suggestions on other places you would like to enjoy our beer, please let us know – thank you!

## REAL ALE

### Available All Year Round

**Blonde: 3.8 ABV** ~ A fruity, golden beer with a heady burst of floral hop aroma & a satisfying clean bitterness. Very popular with the ladies too! Our bestseller.

**Darkest: 4.2 ABV** ~ A more potent brew, and remarkably quaffable! With a rich, velvety texture, a definite chocolate flavour and a creamy head, this has converted many a “light” beer drinker to the dark side.

**Wild Ennerdale: 4.2 ABV** ~ A golden amber ale, well hopped with two varieties of English grown hops, a good hop aroma and well-rounded

## REAL ALES ~ TASTING NOTES

bitterness. (Brewed in support of Wild Ennerdale Partnership for which a contribution made for every pint sold from first 100 casks).

### Seasonal Real Ale from Ennerdale

**English Pride: 4.0 ABV** ~ SPORTING MOMENTS ~ Deep golden brown, hoppy aroma and zesty flavour – a good clean finish! Perfect for great sporting occasions – world cups, Six Nations & more....

**Copper: 3.8 ABV** ~ SUMMER SEASON ~ Copper coloured beer with a refreshingly fruity, and slightly spicy palette with hints of citrus. It’s so popular that the summer brewing season gets longer every year!

**Black Sail Bitter: 3.9 ABV** ~ AUTUMN BREW ~ Amber coloured bitter, with a good hop character, and a fruity flavour with a crisp finish.

**Ginger Beer’d 4.2 ABV** ~ CHRISTMAS TIME ~ similar to the Wild in strength and tones, but with a light hint of Ginger. A great hit in its first year 2013!

## BOTTLED BEER

### Ennerdale Brewery Bottled Beer

In 2013 we started to bottle our ales, so that more people could enjoy the Ennerdale taste anytime, anyplace, anywhere! We aim to expand the range following the excellent reception to the core range of bottled beer, but for now you can enjoy Blonde, Darkest, Wild and Bitter in a bottle! Seasonal beers also available as well as **gift packs and cases.**
